*****TANGENT CLUB – Half Year meeting – CANCELLED*****

Unfortunately as a result of a poor response the 01 October 2016 half year meeting in Leeds has been cancelled

STORY OF A NEW CLUB

Tara Donaghy of Essex and East London Tangent tells their story...

“Over three years ago now, I was researching for ways to get more actively involved in local charities. I was fortunate enough to come across Ladies Circle, and was impressed to see that the organisation spans the globe! I came across City of London’s ladies circle, and joined up immediately. We helped raise money and run initiatives for charities like Kid’s Company. On one occasion, we spent a day at a family’s home decorating it and installing new furniture, in conjunction with the city of London roundtable. Another highlight was participating in the Race for Life for charity. Joining the City of London group was such a positive experience that I felt we needed something closer to where I live in East London and Essex, so I got to work advertising and promoting the group. Our first meeting was held in December 2015, and Paula Fairfield joined us for a dinner the following February. We have a growing group of 10 - 12 ladies who attend and host regular events. We’re keen to get to know other Ladies Circle and Tangent groups in the area, and beyond, and are delighted to be part of the wider family”

If you would like more information about forming a new club please contact Melodie Brookes (vice-president@tangent – clubs.org) for more information and advice
