

Dear Club Contacts,

Welcome and congratulations to all the new officers to a new Tangent year - including our new National post holders Paula Farnfield, President, Melodie Brookes, Vice-President, Glynis Sutton, National Secretary, Morag Daley, Editor and Website Co-ordinator and Ruth Sage, National Sales and Regalia Officer. Thank you for your patience whilst the new team get themselves organised.

This is the first of many communications, so apologies Ladies, there is a lot of information here:

- **Directory Form 2016-17:** to be completed and returned to Jackie Hampton, our Executive Administrator, by 30th June 2016
- **Capitation Form 2016-17:** (£6 per member per club) is to go to Jill Harris, our National Treasurer, with relevant monies by 30th June 2016
- **An introductory note from our new President Paula**
- **A summary of the outcome of the National AGM in Birmingham**
- **A summary of the outcome of the Tangent Clubs International conference**
- **Instructions for setting up a club gmail** address are also attached.

The two forms that are attached are the only ones you will receive and the forms will be available on the Tangent website (only clubs who have not submitted an email address will receive the forms in the post in order to save costs). **Please make sure that these forms are passed on to the member who needs to deal with them and they are returned by the deadlines.** We are asking for extra details this time, as agreed at the NATC AGM in Birmingham, to ascertain more accurate membership data; please ensure you submit the most recent forms.

The new **Directory 2016-17** will be published later, once your forms have been returned. Please remember to share the information at the front of the Directory with all the members of your club.

The **Regalia, Price list and Brooch forms** will be circulated to clubs with the May edition of Tangent News.

Hope to see some of you in Caerphilly for the Welsh Lunch!

Yours in continuing friendship,

Glynis Sutton

Tangent National Secretary, 2016-17
