

July update

Hi All,

Sue is continuing to enjoy her year as President and she is delighted with the welcome she receives on her visits and the fabulous support to her charity RNLI.

As an exec we have recently attended the Northern Regional Lunch in Liverpool where we were very well entertained by the Tangent table karaoke.

This was followed by a busy exec meeting, and shortly after the 41 Club council meeting. We are awaiting the last few directory updates and will soon be sending the details to the printers, so hopefully your Directory and AGM minutes should be with you in early August. Doreen has asked that if you have not completed your Directory form yet please do so to catch the directory deadline.

Shirley wanted to pass on her thanks to all the clubs who have paid their capitation the majority, and ask the remainder to send this in as soon as possible.

The upcoming events are listed below, please use this [link](#) for all details/booking forms:

Scottish Regional Lunch 7th September at Glen Pavilion, Dunfermline, KY12 8QH

The flyers for the Presidential charity events can be found here

That brings us back round to the AGM in Cardiff 2-5th April 2020, places are filling up fast so book early to avoid disappointment.

By now you should have received the summer edition of the Tangent Magazine. During our exec meeting we decided to send at least 1 pack to all Tangent Clubs. This was not an error, we are aware that some clubs have asked to receive no copies and have not received any for quite some time. However we wanted to let all clubs see the magazine and for the next edition we will revert to your previous preference. If receiving the Magazine has caused your Tangent to change its mind and you would like to change from opting out to receiving copies then please advise Doreen at admin@tangent-clubs.org and we will ensure you get copies going forward.

I hope you all enjoy the upcoming holiday season and return from your travels with happy memories and wonderful tales to tell.

Yours in Continued Friendship
