

Post of Editor and Website Co-ordinator.

Although Gill Rich was very enthusiastic, she had not fully appreciated the time and the commitment the role would entail on top of her already busy work and family life.

Being unable to attend meetings, and the need to 'hit the ground running' with both the magazine and updating the website following the AGM, was a big challenge.

These were on top of the volume of emails we all receive all the time, and the reliance the Exec have on each other to carry out the workload.

We wish Gill well, and thank her, and hope that this experience will not put her off standing for office at some time in the future.

The position of editor has therefore become available

We are seeking nominations from members with suitable skills or experience.

Please contact the National Secretary Heather Parry on secretary@tangent-clubs.org to request a copy of the role description and nomination form.

Nominations to be received by the National Secretary by 31st July 2018.

If more than one nomination is received before the cut-off date a postal ballot will be carried out during August 2018. We look forward to receiving your nominations.

Yours in Continued Friendship

Heather Parry

National Secretary 2018-2020
