Dear Fellow Tangent Members

I am delighted to welcome you to the new Tangent year as your National President! It has been a dream of mine for some years now to be able to represent you, our members, and this fantastic organisation that we all belong to. I promise that I will do my best to be your figurehead and promote Tangent and the other clubs of the Round Table Family.

This year we are working with 41 Club and President Andrew to support R.N.L.I. and our aim is to raise £50,000 between the two Associations to buy Rescue Water Craft (jet skis) for beach Lifeguards. These will be stationed all around Britain and Northern Ireland and will be there to protect you, your children and grand-children. Please help us to raise these funds by supporting our events and raffle, buying things on my charity shop and maybe by holding your own club event, or by taking a collecting box to meetings. (Available from both Presidents)

We are holding a Joint Presidents' Leap Day Ball on 29th February 2020 at Crewe Hall in Cheshire, and we are planning a fantastic evening for you all. You can find more details and a booking form on the Tangent and 41 Club websites, and via Facebook. The draw for the raffle prizes will take place at the Ball, Andrew and I will be selling tickets all year until then, and we have some fabulous prizes including an eight night Fred. Olsen cruise for two in August 2020.

There is also a Ladies Charity Lunch planned for 21st September 2019 at Vale Royal Abbey Golf Club near Northwich, and my club is planning a wonderful afternoon of friendship and entertainment for you all. Again, details via Tangent website and Facebook. I look forward to seeing many of you there!

I would love to visit your club, whether for a big anniversary celebration, or just for a normal meeting or social event. My diary is available on the website, so have a look and find a date when I am free and invite me along. You can contact me via the website or to my diary secretary on suehillsdiary@gmail.com. I am looking forward to meeting many of you this year, I love to chat and share a glass of wine with my Tangent friends!

If you see me out and about come over and say hello!

Yours in continued friendship

Sue Hill

National President 2019 - 20
