

April 2017

Hello Ladies,

Welcome to the new Tangent year and congratulations to all those taking office, especially our 'contact ladies' who are playing such an important role in communicating with our members.

My theme for the year is 'Together in Harmony'. With your help I aim to raise the profile of the our Association, so please remember to regularly publicize the fun you have in 'taking part' whether it's getting together, giving practical help, or being involved in fund-raising events. My chosen charity is the British Association for Music Therapy, www.bamt.org.

Your new National Executive will be out and about sporting bright yellow waistcoats and yellow umbrellas so we look forward to chatting with you soon! Hope to see you at the Welsh Lunch 20 May in Cardiff or at some other Tangent event near you.

With best wishes,

Melodie

National President 2017-18
