

Hi All,

I hope this mail finds you all well, the AGM agenda has now been printed and should have hit your doorsteps. I am sending you the electronic versions in case you want to distribute among your members before your meetings to discuss the content.

Please find a link to the formal notification letter here (note I have not included the address changes that are printed on the back)

The agenda can be located by clicking here

The Voting Delegate form for 2019 can be located by clicking here

The Proxy Delegate form for 2019 can be located by clicking here

For clarification agenda item 8.4 should read

8.4 National Marketing and Membership Officer

There are no nominations for the post of National Marketing and Membership officer. Nominations will therefore be taken from the floor.

I hope you all have lively and constructive discussions.

Please note any questions relating to an executive member report should be addressed to them directly or via me at secretary@tangent-clubs.org by 8th March 2019. Any points re last year's AGM minutes should be received by me by 20th March 2019.

I have also received the minutes form the TCI HYM in Marrakesh last October you can read these by clicking here.

I hope those of you travelling to Torquay have a safe and pleasant journey and I look forward to seeing you there.

Yours in Continued Friendship
