

Hi Ladies ,

Please find attached a link to the detailed discussions that took place at the TCI half yearly meeting in Malta.

As TCI is moving to an elected board there was a lot of discussion re the future look of TCI board and Council. Please note these discussions and may not completely reflect what will come through on the TCI AGM agenda, but will give you an idea of what is being considered.

The TCI AGM agenda will be circulated to you when received.
